## 2018 CSA EBT/SNAP Member Agreement Form

Mama Tee's Farm has a Community Supported Agriculture (CSA) program that connects farmers and consumers. In 2014, Mama Tee's invited SNAP individuals and families to join our Farm Share program.

Traditionally, CSA members buy a season's worth of produce up front from a local farm and receive a weekly share of the harvest from that farm throughout the growing season. A CSA member's commitment to support the CSA program actually begins when Mama Tee's purchases our seed in January!

This agreement is a contract between Mama Tee's Farmstead and their SNAP CSA members. By signing this agreement, both parties understand the risk and rewards inherent to organic farming. To help manage the risk, Mama Tee's develops a diverse crop plan that includes over 40 vegetables. Their weekly Farm Shares will reflect the harvest of the week with 6-12 fresh produce items in the full share, 4-7 in the half share, and/or in their eggs, meat, and preserve shares.

**2018 CSA SNAP Subscription Choices (please mark your choice). All shares are shown in weekly values. You can do more than one share (ex. 1 FULL, 1 EGG, 1 MEAT)**

**\*\*Important note on all WEEKLY shares this year: there will be a week break with no delivery between seasons: the week of July 2nd and the week of Oct 1st.\*\***

**\_\_\_ BOUNTY SHARE 26 weeks – \$40.38, May 14-Nov 5, plus Thanksgiving and Solstice Shares:** This share is the best of the best that Mama Tee's offers. A full vegetable share, a bi-monthly egg share, a ½ meat share, and a monthly preserve (pickles, jams, salsas, sauces, or goat products) share. ALL this for \$40 a week!

**\_\_\_ FULL VEG/FRUIT SHARE: 26 weeks – \$28.46, May 14-Nov 5 plus Thanksgiving and Solstice Shares:** This share of 6-12 items includes vegetables and fruits as they are in season. This is the vegetable lover's plethora of produce! It is the spring, summer, and fall shares all rolled into a discounted price.

**\_\_\_ HALF VEG/FRUIT SHARE: 24 weeks – \$18.33, May 14-Nov 5:** This share of 4-7 items includes vegetables and fruits as they are in season. This is a lighter, yet still diverse and abundant, amount of produce throughout the spring, summer, and fall seasons. The Half share does NOT include Thanksgiving and Solstice shares.

**\_\_\_ SPRING SHARE: 7 weeks – \$27.14, May 14 to Jun 25:** Love your spring greens, lettuces, and roots more than anything? Then this share is for you. This will include 6-8 spring produce items each week.

**\_\_\_ SUMMER SHARE: 12 weeks – \$30.83, July 9 to Sept 24:** The cream of the crop of the vegetable share. Diversity is the ticket here from greens to beans to tomatoes to garlic. And fruits of blackberry to pear to apple will show up as well. A variety of 8-12 summer produce items each week.

**\_\_\_ FALL SHARE: 7 weeks – \$30, Oct 8 to Nov 5 plus the Thanksgiving and Solstice Shares:** Best of summer and fall combine into this share which could include everything from tomatoes to cucumbers to winter squash to kohlrabi. There are bound to be delicious apples in this share as well. A variety of 7-11 fall produce items each week.

\_\_\_ **EGG SHARE: weekly 18 weeks or bi-weekly 9 weeks, July 9 to Nov 5:** A dozen eggs each week from our pastured chickens, supplemented with GMO free, locally milled feed! These eggs cost \$8 in grocery stores. Get them straight from the farm for so much less!

\_\_\_ **OPTION 1: \$6.67 Weekly**

\_\_\_ **OPTION 2: \$7 Bi-Weekly (every other week)**

\_\_\_ **MEAT SHARE: monthly (6 months), \$73.33 monthly/\$16.93 weekly, Jul 12 to Dec 20:** Mama Tee's meat COMBO – combination of approximately 8lbs of select cuts of pork, chicken, and chevon each month. For example, one month could include bacon, chops, ribs, a whole chicken, and ground chevon.

### Payment Information

\$\_\_\_\_\_ **Total SNAP cost/wk** (ONLY Meat share would be per month)

Example 1: One FULL VEG, One WEEKLY Egg, One MONTHLY Meat = \$28.46/wk + \$6.67/wk = \$35.13/wk

The **first payment of the season will be the total month plus one week as to set up payments a week in advance.** This way, the last payment will be cost for three weeks instead of a month.

Monthly (Total SNAP cost/wk + meat/mo if applicable) x 4; payments withdrawn on the day SNAP benefits renew)

▪ **Total Monthly SNAP Payment** \_\_\_\_\_

▪ Example 1 from above : \$35.13/wk x 4 + \$73.33/mo = \$209.33/mo
